CAPACITIES

Both performance spaces have flexible seating, which can be configured in a variety of ways and this affects the final capacity. The capacities listed below are guidelines, based on the assumption that performances will take place on the stage only without any extension into audience space. Please note pianos are at ground level and not on stage. We are very happy to talk to hirers about using the space to the best potential for the event, upon which we can discuss the licensable capacity.

	<i>Great Hall</i>	<i>Recital Room</i>
Cabaret style seating	250	80
Formal theatre seating	c.500	160
Standing	1000*	250

These capacity guidelines must include all performers and staff.

* When capacity reaches these levels in the Great Hall, we advise hirers to consider use of the Recital Room (if available) as auxiliary front of house and/or bar space.

HALL DIMENSIONS
